

Medora Community School Corporation ESSER III Plan

Addressing Learning Loss:

1. Addition of two certified teachers

Our 1st/2nd grade combined class will be split into one 1st grade class and one 2nd grade class, to address learning lost during COVID.

Our 3rd/4th grade combined class will be split into one 3rd grade class and one 4th grade class, to address learning lost during COVID.

2. Addition of one instructional aide

Instructional assistant will help with remediation and acceleration of learning.

3. Curricular materials for grades k-12:

Grade level curricular materials will be purchased in Math, English/Language Arts and Science to address learning loss, assisting in the implementation of additional evidence based instruction.

Operations, Maintenance and Supplies:

- 1 Maintenance and repairs to HVAC systems.
- 2 Addition of water bottle filling stations
- 3 Cleaning and maintenance supplies.
- 4 Additional summer cleaning staff

Transportation:

- 1 2 air conditioned school buses to allow for social distancing of students and an environment conducive to wearing masks.

Professional Services:

1. Technology support, services, and equipment to enhance distance learning capabilities, safety and connectivity within the school.
